Real Estate and Personal Property

Having recently purchased the farm, stock and tools of Fred Hovey, I will sell the same at public auction to the highest bidder, on the premises on Hampshire hill, 1 1/2 miles from Worcester Corner, on

FRIDAY, SEPT. 28, 1917
at 10 o'clock in the forenoon:

THE HOME FARM

containing about 230 acres of land, suitably divided. Buildings in good condition; never-falling running water at house and barn; good sugar and apple orchards, also small fruits. Plenty of wood and some hardwood lumber; softwood reserved. This is one of the best hill farms in this section—excellent soil. I will also sell the MACEY HOUSE, so called, and 10 acres of land, 1/4 mile from the home place. This could easily be converted into a summer home or camp, or would make an ideal hunter's camp. Good running water to house, young apple orchard, fine yard with shade trees.

25 HEAD OF STOCK

Ten extra good cows, all to freshen in early winter; 2 year-old heifers, 4 yearlings, 2 calves, 1 bull, 20 hens. All of the above is good clean stock and would not have been sold had not Mr. Hovey decided to locate in Maine.

Also 1 pair of draft horses, weight about 2,800 lbs., well matched and good honest workers; 1 12-year-old black horse, good worker and driver.

FARMING TOOLS—1 good mowing machine, horse rake, horse hoe, harrow, cultivator, stoneboat, grindstone, lumber wagon with box body and rack, trawler sled, 1 horse lumber wagon, pair heavy work harnesses, single driving harness, milk separator, 2 good buckies, sleigh, pump, whiffletree, neck yokes, etc., and all small tools usually used around a farm.
